

THRILLING SUMMER READS!

Mendham novelist, Bill Powers has two suspenseful thrillers out in print and e-book version!

First there was *The Pharm House*, Finalist in the Medical Thriller category of the 2014 National Indie Excellence Awards, where readers met Nicholas Harding and his daughter, Andrea; set in the pharmaceutical industry with malpractice of epic proportions. *Ever wonder how drugs get in those little brown bottles? Read The Pharm House!*

Now comes the second Harding Family story. In the exciting new thriller, *The Torch is Passed*, Andrea has just graduated college and her world is turned upside down when her father, Nicholas, and her uncle, Michael, are shot in a surprising and brutal attack. As the only family other than her paternal grandmother, it falls to Andrea to not only investigate who would want to kill her father and uncle, but also to oversee Harding Industries.

Andrea urgently seeks answers why anyone would want to kill her entire family - grows up along the way and seeks her revenge.

The Torch is Passed is a Winter 2016 Pinnacle Book Achievement Award Winner!
