LAKSHMI PRASAD, M.D.

Dr. Lakshmi Prasad M.D., M.S., FAARM is a Board Certified Internist specializing in Integrative Medicine. She has a Masters Degree in Nutritional & Metabolic Medicine and is a Board Certified fellow in Anti-aging & Regenerative Medicine.

We pride ourselves in helping our patients understand the value of good nutrition, lifestyle and health, and we will guide and support you throughout your process of healing.

The Metabolic Code and Weight Loss Program is a personalized integrative approach to uncover metabolic imbalances and to find an optimum

path to restoration of health. It is a step by step easy to implement program of diet, lifestyle strategies, state-of-the-art customized nutrients and supplements created to reclaim your metabolism and health.
